PRODUCTS & SERVICES

The use of various advance filmmaking tools enhances the overall quality of your wedding film.
Complete your film package with any of these special add-on products and/or services:

CINEMA 4K FILM **\$2,950**

The Canon EOS 1DC is built to shoot in 4k resolution with high dynamic range. The result? Cinematic quality footage that is incredibly sharp and crisp. The final footage will be compressed into a high-definition film that is 4x sharper in resolution than a normal high-definition film.

CINEMA LENSES **\$1,950**

The most important part of a camera is its lens since the quality of an image is so dependent upon it. Canon Cinema Prime & Zoom Lenses are the best in its class and are available in a wide variety of focal lengths, each offering fast T-stop and 4K optical performance.

CINEMA DRONE **\$1,750**

The DJI Drone is intended to serve as a platform that, combined with the gimbal, allows professional cinematographers to add breathtaking aerial shots to the film.

CINEMA JIB/CRANE **\$950**

The Kessler Jib/Crane (12') allows the cinematographer to obtain a great overhead perspective shot. This tool will allow the user to sweep from low angle shots to a high angle shoots and much more.

CINEMA GLIDER **\$950**

The Freefly System Movi Pro is a highly advanced 3-axis gimbal, professional camera stabilization system. This system will allow the cinematographer to walk, run, go up and down stairs, and travel over uneven terrain without any camera instability or shake.

CINEMA SLIDER **\$750**

The motorize Edelkrone Slider Pro will add extra dimension to your video frames to enhance the action. The automatic plan, tilt and curve adds more dynamic to your creative footage.

ENGAGEMENT FILM **\$1,950**

Celebrate the begging of your love story:

The engagement film shoot will take place outdoors / indoors at a location of your choice. We will help you find a truly unique location that fits your style and personality.
